Dear Mr. Loden:

Thank you for the Jonathan B. Loden Foundation's gift, made possible through the 9<sup>th</sup> Annual Jonathan B. Loden Memorial Golf Tournament, to Dr. Arlene Forastiere's head and neck cancer research benefitting the Sidney Kimmel Comprehensive Cancer Center at Johns Hopkins. Through the philanthropy of supporters like your organization, our dedicated researchers and clinicians are able to fulfill our mission to provide the highest quality care and service for all people in the prevention, diagnosis, and treatment of cancer.

Fighting cancer is a journey – one which our faculty and staff strive to improve by continuously providing the most cutting-edge treatment, care, and moral support possible. This generosity makes this endeavor a reality, allowing us to support each patient and family when they need it most.

As the only Comprehensive Cancer Center in the state of Maryland, Kimmel is recognized as a world-class leader in the field, pioneering discoveries and making a difference where it matters most—in the lives of our patients. Thank you for the Jonathan B. Loden Foundation's ongoing support of Dr. Forastiere's work.

Sincerely,
