Dr. Forastiere:

Thank you for taking time out of your busy schedule to speak at the 7<sup>th</sup> Annual Jonathan B. Loden Memorial Golf Tournament on September 21, 2012. My family and I are honored and extremely grateful that you continue to attend the event personally.

I am very pleased to donate \$20,000 in proceeds from that golf tournament to the Sidney Kimmel Comprehensive Cancer Center at Johns Hopkins Hospital. I would like these funds used in furthering the progress being made to combat head and neck cancer. I have no doubt that your research (and that of others) will evidently lead to the eradication of this horrible disease.

While Jon is terribly missed, my family and I find solace in helping battle the disease that took him from us so prematurely.

We look forward to seeing you at the 8<sup>th</sup> Annual Jonathan B. Loden Memorial Golf Tournament, which will be held on September 20, 2013.

Sincerely,
